Close the door, light the light, we're stayin' home tonight
Far away from the bustle and the bright city lights
Let them all fade away, just leave us alone
And we'll live in a world of our own

Chorus:

We'll build a world of our own that no one else can share
All our sorrows we'll leave far behind us there
And I know you will find there'll be peace of mind
When we live in a world of our own

Oh my love, oh my love, I've cried for you so much
Lonely nights without sleeping while I longed for your touch
Now your lips can't evade the heartache I've known
Come with me to a world of our own

Chorus

And I know you will find there'll be peace of mind
When we live in a world of our own
